

# JAPAN & CANADA TAX & WORK VISA/ IMMIGRATION SEMINAR

This seminar is for businesses and individuals considering expansion from Japan to Canada, as well as those interested in selling goods and service to Canada. It will provide relevant information on Japanese and Canadian tax, work visa, and immigration.

- Benefits of expanding your business to Canada
- Japanese tax and social insurance when moving to Canada or dispatching employees
- Canada's visa and immigration systems
- Canadian tax and social insurance after moving or establishing a business in Canada
- Japanese personal tax obligations after moving to Canada (as a non-resident of Japan)
- Tax considerations when selling goods or providing services from Japan or the U.S. to Canada

# YOUR SPEAKERS

Issei Aoki

Aoki International Tax Accounting Office

Since 2008, Aoki has been engaged in audit and consulting services at PwC Aarata. He later provided a broad range of services at a local accounting firm in Singapore, including company incorporation for Japanese clients, employment pass applications, accounting, taxation, and labor support. Subsequently, he served as CFO of the Thai subsidiary of a Japanese company expanding into Southeast Asia, overseeing corporate management duties. In 2023, he established the Aoki International Tax Accounting Office, offering services such as overseas expansion support for Japanese companies, international relocation support for individuals, market entry support for foreign companies entering Japan, and tax services for foreign nationals.

Hirotsu Ochiai

Manning Elliott LLP

Tatsu moved to Vancouver, Canada in 1993. After spending about 10 years in the travel industry, he began working in audit and consulting at Deloitte Canada in 2004. He joined Manning Elliott LLP in 2018, where he provides audit services as well as a wide range of tax compliance and advisory support. He currently leads the back-office support team, which offers bookkeeping, payroll services, and more. In collaboration with the firm's specialists, he also provides specialized services such as due diligence for M&A and assistance with government grant applications.

Yuji Matson

Remedios & Co.

Yuji graduated from the University of Victoria Faculty of Law in 2011 and later completed a Master of Laws in International Economic and Business Law at Kyushu University. He previously worked in Japan as an English teacher through the JET Program. After obtaining his legal license in British Columbia, Canada in 2014, he has provided comprehensive legal support to both corporations and individuals, including work visa and permanent residency applications, business incorporations, employment contracts, and real estate transactions.
